BALLOT-BOX STUFFERS LOSE AN APPEAL A TRIUMPH FOR LAW AND DECENCY IN THE JERSEY CITY ELECTION CASES.

The Court of Errors and Appeals confirmed at Trenton vesterday the decision of the supreme Court in the cases of the Jersey City ballot-box stuffers who were convicted in Hudson County Sessions, the supreme Court sustaining the decision. The election officers in seventeen precincts were indicted for ballot-box stuffing at the fall election in 1889. The indictments were not made until the following spring. In ten precincts the officers were convicted. From other precincts three men pleaded guilty and are now serving terms of from six to nine months in the Snake Hill ponitentiary. The cases decided yesterday had been appealed to the Court of Errors as a test. They were those of John Moschell, Thomas Fallon, John Hart and J. Thomas Durancey, officers in the First Pre-cinct of the 1st District. Every effort has been made to delay the decisions in these cases with the hope of eventually getting the men off. Most of the convicted eventually getting the men on. Aust of the Coavica-men are now out on ball, and some of them are holding official places in the city government, to which they were appointed by the Democrats as a reward for their work in the election of 1889, when ernor Abbett was ejected.

When it was removed over a month ago that the Court of Errors had affirmed the decision of the lower court, a number of the convicted men were given up their bondsmen. In nearly every instance the bondsmen made some such excuse as property held by the bonds." Some of these men ere rebailed and the others went to fall.

When the decision of the Court of Errors became known yesterday there was a great 2cal of talk among the Democratic politicians "heelers" and friends of the convicted "gang. The promises of protection against conviction could not be kept and this last decision has settled it whole batch of these criminals will have to serve their time in the penitentiary. The total number of officials indicted was sixty-seven, in seventeen precincts. Three of these were acquitted. Those who will be immediately affected by this last decidion are, besides those already named, Henry Spears, O. L. Fr.burg, Joseph H. Buckridge and Thomas Trotter, of the Third Precinct, Ist District; Michael Kelley, Charles Nugent, James Sammons and William F. Howe, of the Ninth Precinct, 1st District; Francis Whalen, J. G. Miller, John Green and fell asleep, for which, he says, an attempt was made P. J. Kennedy, of the First Preclact, Ild District; by Officer Wick to eject him. Before being thrown John A. Whalen, J. G. Mulrain, David Gordon and M. J. White, of the Second Precinct, IId District; James Burns, Thomas Miskell and Peter J. Cassidy, of the Third Precinct, Ild District; John P. Murray, S. C. smith, O. E. Stringham and M. J. Flynn, of the Fifth Precinct, Ild District; Patrick McGrath, J. Stumpf and son, in the Lee Avenue Police Court. He presented son, in the Lee Avenue Police Court. Precinct, 11d District; Patrick McGrath, J. Stumpf and John D. Egan, of the Seventh Precinct, 11d District; W. F. Siemons, H. C. Winckler, Charles A. Holderer and Farick houlger, of the Second Precinct, 17th District; Thomas Gordon, M. Fallon, William Taylor and John T. Walsh, of the First Precinct, Vth District.

None of the cases from the other seven precincts have been tried. It is believed that all of the men from the ten precincts mentioned will now plead guilty, with the hope of getting off as lightly as possible.

### MONTCLAIR.

One of the largest meetings ever held in Montclair, N. J., was that of Saturday night, in the Opera House, called to consider the advisability of granting a franchise for a street railway between Montclair and Fast Orange. This question had been discussed in Montelair for months, and when the meeting was called to order on Saturday night it was estimated that there were fully 1,000 men present. At times the excitement was so great that the meeting threat-ened to break up in disorder. A petition had been presented to the Township Committee by Francis M. Eppley, on behalf of the Montclair and East Orange Railway Company, asking permission to construct and operate a railway from East Orange to Montelair.
